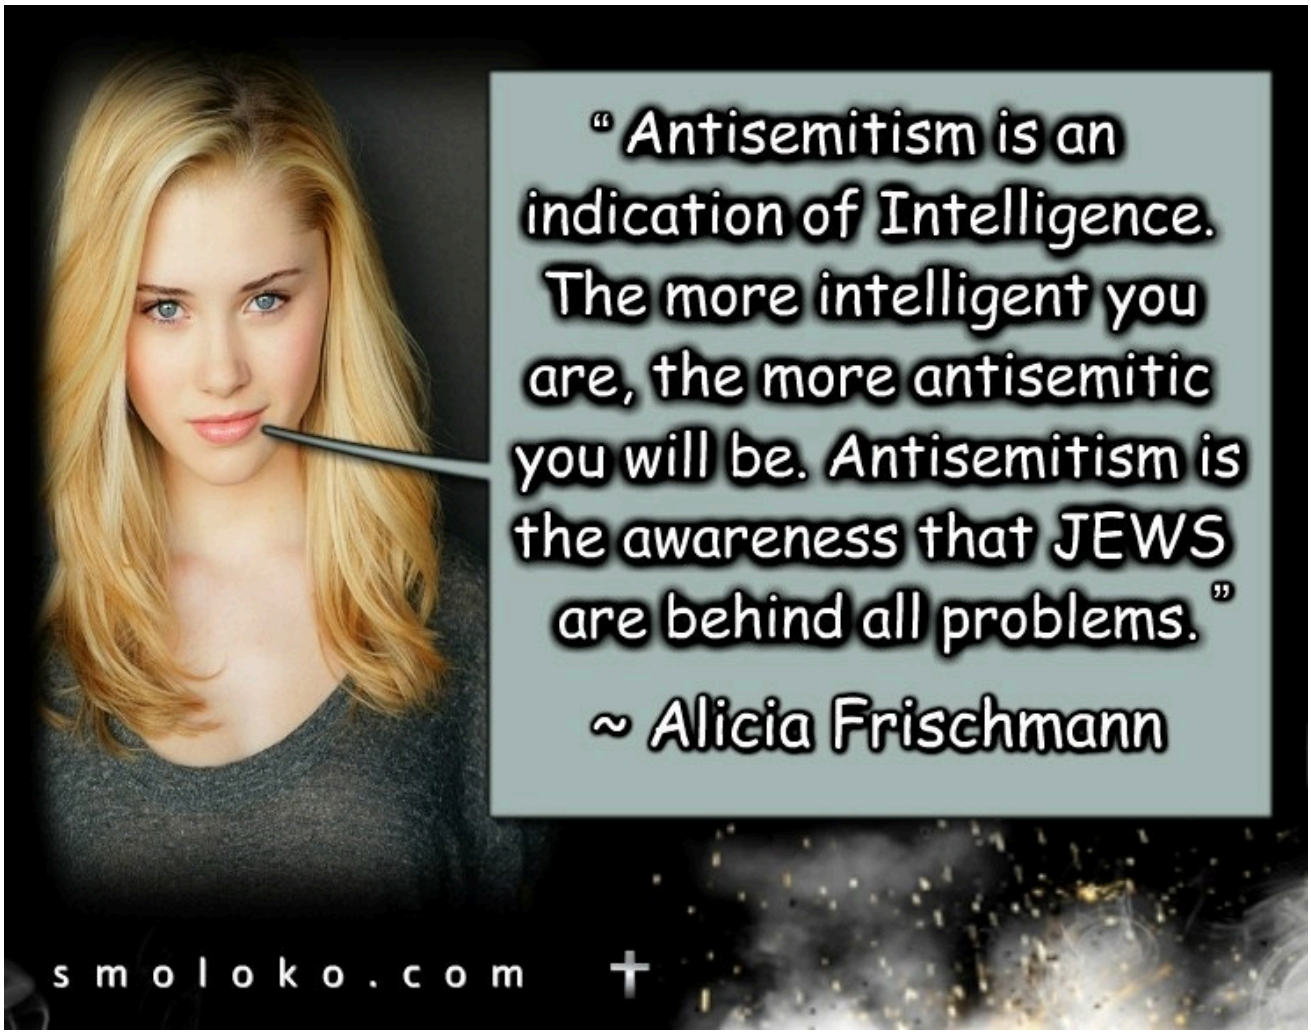
Israel Shamir - Praise for Antisemitism

April 5, 2025



Sabbatean-Frankist (Satanist) Jews and Freemasons are behind all problems.

These are Communists and Zionists. Conflating them with *all Jews* allows satanist Jews to dismiss legitimate resistance as bigotry.

We cannot defeat an enemy we cannot define properly. I am an ethnic Jew. I am neither Communist (Left, anti-Gaza genocide) nor Zionist (Right, pro-Gaza genocide) and will not accept blame for actions I have exposed and denounced for 25 years.

Trump, Putin and Netanyahu are Satanist Jews, members of Chabad which advocates genocide for non-Satanists. The Pharisees never stopped killing Christ.

Trump and Netanyahu are disgusting war criminals. The Hamas attack Oct 7 2023 took place with Israeli complicity. World wars are conjured by Freemasons on both sides to kill patriots and non-Satanists.

Israel Shamir--"If you have not been called anti-Semitic in our days,
you are together with Netanyahu and Soros."

"Talking about Goy hatred is necessary to keep Jews within Judaism, and to inflate Jewish hatred towards the Goy."

Hearing the word "anti-Semite" addressed to him, an American considers it his duty to fall in love and loyalty to the Jewish people.

I know this because I get emails daily from people labeled as anti-Semites for supporting Palestine and failing to come to terms with it. I provide them with their first psychological assistance: ...I am comfortable with accusations of anti-Semitism.

If you have not been called anti-Semitic in our days, you are together with Netanyahu and Soros.

Just like "jewish", "anti-Semitic" - a label that can't be used without getting dirty - such associations are connected to it.

It is often used by settlers, leaders of the ADL spy network, the racist Kahane, *US Today* owner Mort Zuckerman, Conrad Black (Barbara Amiel's husband), Netanyahu's mass murderer, war instigator Richard Pearl, fraudster Tom Friedman, Shylock theft and Eli Wiesel- a hired whistleblower of the Holocaust.

Antisemites were called to a T. S. St. Eliot and Dostoevsky, Zhena and Gamsun John and Yates, Shakespeare and Ezra Pound, Marx and Woody Allen - and I prefer to be in their company.

Not only antisemitism is racism, but the very concept of the supposedly universal and inevitable antisem it is racism. Real Judaism, or rather, its based ideology, includes a belief in a special "Jewish spirituality," the "Jewish DNA of choice," which makes its owner a superhuman and the person who does not possess it a talking beast. But it includes faith in the inevitability of hatred of a goy (non-Jew) towards a Jew. Even the name of Mount Sinai Jews derive from the word "sinai" - hatred.

There is nothing like this in the real world - (1) Jews are no more spiritual than non-Jews, and (2) non-Jews don't hate Jews at all.

Both are only a part of the Jewish dogma, as the story of the exit from Egypt.

Jewish talk about antisemitism is just the opposite side of Jewish dogma of self-chosen. There is no antisemitism at all. People have a normal cautious attitude towards a stranger, even if he is a countryman, and even more so if he is a Volgozhan, Old Believer, Molocan, Armenian, Tatarian or Jew. There is nothing wrong with that. Only Jewish maniacality blows this vigilance into some mystical "anti-Semitism", into the inevitability of Goy hatred towards Jews.

Israelis are constantly bullied with "anti-Semitism" to keep their loyalty to Judaism. This indoctrination and intimidation is told by Israeli director Yoav Shamir, "Defamation".

(https://www.youtube.com/watch?v=CTAjc1OSrmY) A biased reading of history, turning it into a Jewish martyrologist, stories about terrible Germans, Russians, Arabs poison the souls of Israelis.

Talking about Goy hatred is necessary to keep Jews within Judaism, and to inflate Jewish hatred towards the Goy.

Re your recent article on Antisemitism, which is a canard, I add this. There are no "Semitic" peoples. It is not a race, nor an ethnicity in physical anthropology.. It is a language group of three main races and many ethnicities & crosses. To-wit: Arabs (Asian), Kush (Negroid), Sea Peoples (White). There are some 400 Semitic language dialects & Yiddish isn't part of it.

The "Jews" need to be more accurate. Also what is "Anti"? To me that means being like Angela Davis. Now if one holds a thought vs. those who are killing you, that's an "Anti". Nuts.

Reality is that what a rational person who wants to live is to be against is the Talmud/Kabbalah & the Sabbatean-Frankists, which are ideologies. Freemasonry/Illuminism too, but we know who created that. But, even expressing such views is "Antisemitism" in order to silence a person so that one goes willingly to their slaughter. Basically all other people are not to complain about their destruction. What a farrago. Oh, and per the meme, the cult knows it's a "trick" used on their victims.

Semitic people or Semites
"The terminology is now largely unused outside the grouping "Semitic languages" in linguistics.[6][7][8]
....The use of the term as a racial category is considered obsolete."

Ultimately Judaism is defined by the embrace of Lucifer and Satanism. Most jews don't realize that Judaism is defined by Cabalism (Satanism.) Cabalists believe they re God and everyone else is there to serve them or die.
